

GO THE EXTRA MILE

SATURDAY 2 MAY 2009

The poverty cycle is being broken for 50,000 of India's most abused and needy children right now - they are the Dalits ('Untouchables').

Gospel for Asia operates "Bridge of Hope" centres all across India providing Dalit children with food, clothing, medical care and an education - providing the chance for a new life through the love and message of Christ.

Will you help us increase that number to 500,000?
Will you Go the Extra Mile?
